COMMENT

Meeting Attended:

Important Issues:

Property Uses:
Residential

Comment:

Since I own 10 acres south of the Sand Dunes in Alamosa Co, I want to know exactly where you plan to put your electrical lines as you could absolutely ruin the value of my property of which my son plans to build on. It is also very unhealthy to live close to these lines. Since we live out of state, it is not feasible to attend your meetings, but would appreciate receiving any information and plans about your project. Thank you.
